- Did you know nearly 30% of those eligible for SNAP do not apply, simply because they don't think they'll qualify?**
- Keep in mind that receiving benefits does not take away from others. There are thousands of dollars of unclaimed benefits in Missouri every month.**
- Adults without children may also be eligible, and many people working or receiving SS, SSI, SSDI or Unemployment are eligible. Eligibility is even possible if you have a car, house or savings.**
- Unused benefits can also roll over up to 365 days.**
