

Missouri Resource Guide

*The support you need
to build a better future*

Three Steps to a Better Future

There are many resources available in Missouri to help you and your family move towards a healthier, more stable future. This guide will focus on helpful resources that support three major steps as you work towards a better future:

Step 1: Meeting your basic needs

Step 2: Getting the support you need

Step 3: Preparing for your career

It is important to note that each support program and resource may have certain requirements that you must meet in order to get help. To find out what these requirements are, you will want to visit the program's website or contact them for more information. You can also call United Way 2-1-1 to find local information, or use the Missouri Services Navigator at mo.servicesnavigator.org for help.

Step 1: Meeting Your Basic Needs

If you are struggling to meet your basic needs, planning for a better future may feel impossible. If worrying about paying for things or keeping your family safe is preventing you from focusing on moving forward, there are resources that may be able to help.

FOOD

If you are struggling to pay for food for you and your family, help is available through the following programs:

- **Food Stamp (SNAP) Benefits**—A monthly benefit to help low-income households buy food. To get help through SNAP, you will need to apply and complete an interview.
—mydss.mo.gov/food-assistance/food-stamp-program
- **Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)**—Provides supplemental food, nutrition education, breastfeeding promotion and support, and healthcare referrals to income-eligible women, infants, and children up to their 5th birthday. Help is available to mothers and other caregivers.—wic.mo.gov
- **Food Pantries**—There are over 1,000 Food Pantries across the state that provide food to those in need.—feedingmissouri.org
- **Temporary Assistance Program**—Provides cash benefits to low-income families for the household's children such as clothing, utilities, and other needs.—mydss.mo.gov/temporary-assistance
- **Free and Reduced School Meals**—Parents and guardians of school-aged children should complete an application to receive free or reduced price meals at school. Sign up at the student's school for children enrolled in participating Head Start, Pre-K, and K-12 school districts.

SHELTER

If you are worried about finding or keeping safe, stable and affordable housing, these resources may help:

- If you are struggling to pay your monthly rent, HUD may be able to help.
—hud.gov/states/missouri/renting or **800-955-2232**
- Shelters in Missouri can provide temporary housing while helping you find homes or apartments.
—homelesshelterdirectory.org/missouri.html
- Landlord and tenant laws can help you understand your rights for repairs, evictions, deposits, etc.
—ago.mo.gov/civil-division/consumer/landlord-tenant-law

SAFETY

Below are resources to help make sure you and your family are safe:

- **Report Child Abuse & Neglect**—Anyone may report suspected child abuse, neglect, or exploitation to the Missouri Child Abuse and Neglect Hotline at **800-392-3738**. This hotline is answered 24 hours a day, 7 days a week. Everyone’s help is needed to keep kids safe, so if you see something, say something.
- **Physical or Mental Abuse**—If you or someone you know needs help with physical or mental abuse, call the National Domestic Violence Hotline at **800-799-7233**.
- **Sexual Abuse**—If you or someone you know needs help with sexual abuse, call the National Sexual Assault Hotline at **800-656-4673**.
- **Report Senior or Disabled Adult Abuse**—Anyone who suspects a senior or disabled adult is being abused, neglected, bullied, or exploited should call the Missouri Department of Health and Senior Services Adult Abuse and Neglect Hotline at **800-392-0210** or report online 24/7 at health.mo.gov/abuse.
- **Crime Victim Protection**—The Safe at Home program helps protect crime victims by giving them a substitute address and mail-forwarding.—sos.mo.gov/business/SafeAtHome/HowToApply or **866-509-1409**
- **Poison Control**—The Missouri Poison Control Center helps people exposed to dangerous chemicals, drugs and other substances find the right care as soon as possible. For emergencies, always call **9-1-1**. For non-emergencies, call **800-222-1222**.
- **General Health**—The Centers for Disease Control and Prevention has information on diseases and conditions, healthy living, traveler’s health, emergency preparedness, and more.—cdc.gov or **800-232-4636**

Step 2: Getting the Support You Need

Trying to balance everything, especially during a hardship, can be difficult. There are resources available to help support you, depending on your needs. Community Partnerships and Community Action Agencies (CAA) also offer a variety of local programs based on community needs. Visit mofact.org/community-partnerships to find a Community Partnership or dss.mo.gov/dss_map to find a CAA near you.

CHILD CARE

The following resources may help you find affordable, quality child care:
